HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

NOTE 1 - ORGANIZATION AND BASIS OF PRESENTATION

Marina Associates (the "Partnership") operates as a general partnership which owns and operates a casino hotel located in the Marina District of Atlantic City, New Jersey known as Harrah's Casino Hotel Atlantic City. Harrah's Operating Company, Inc. ("HOC"), a direct wholly-owned subsidiary of Harrah's Entertainment, Inc. ("Harrah's") through its subsidiaries, is the sole owner of the Partnership. A substantial portion of the Partnership's revenues are derived from gaming operations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash Equivalents - Cash equivalents are highly liquid investments with a maturity of less than three months and are stated at the lower of cost or market value.

Inventories - Inventories of provisions and supplies are valued at the lower of cost, weighted average, or market.

Property and Equipment - Property and equipment are stated at cost, including capitalized interest. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful life of the assets, as follows:

Buildings, leaseholds and improvements	40 years
Furniture, fixtures and equipment	3 - 10 years

Long-Lived Assets - During 1996, the Partnership adopted the provisions of Statement of Financial Standard No. 121, "Accounting for the Impairment of Long-Lived Assets" ("SFAS 121"). SFAS 121 requires, among other things, that an entity review its long-lived assets and certain related intangibles for impairment whenever changes in circumstances indicate that the carrying amount of an asset may not be fully recoverable. During the periods presented in these financial statements, no business conditions or events occurred which may indicate a possible impairment. The assessment for potential impairment is based primarily on the Company's ability to recover the unamortized balance of its long-lived assets from expected future cash flows from its operations on an undiscounted basis.

Investments in Subsidiaries - During 1999, the Company, through its wholly owned subsidiary Reno Crossroads LLC ("Reno"), acquired a parcel of land in Reno, Nevada for approximately \$10,325. The existing facilities located on the parcel site were demolished and a new plaza was constructed on the site at a cost of approximately \$2,365. On February 1, 2000, Reno entered into an agreement to lease this parcel of land to HOC for a period of twenty years at a fixed rent of \$1,120 per year.

Revenue Recognition - Casino revenues consist of the net win from gaming activities, which is the difference between gaming wins and losses. Food, beverage, rooms and other revenues include the aggregate amounts generated by those departments.

HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

Promotional Allowances - Gross revenues include the retail value of complimentary food, beverage, theater and hotel services and the amount of volume-based cash rebates paid to casino patrons. The value of these promotional allowances is deducted to arrive at net revenues.

Income Taxes - The accompanying financial statements do not include a provision for federal income tax purposes by the individual partners. In accordance with regulations prescribed by the New Jersey Casino Control Act, the Partnership files a state income tax return on behalf of the partners. Deferred income taxes reflect the net tax effect of temporary differences between the carrying amounts of tax assets and liabilities for financial reporting and income tax purposes. Deferred tax assets and liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date.

Disclosures - In accordance with the Quarterly Report Instructions, the Partnership has not submitted updated information for the summary of future lease obligations and contribution of savings and retirement plan in which employees of the Partnership may participate. There has been no significant changes to the information submitted in our December 31, 2002 Annual Report.

Use of Estimates - The preparation of these financial statements in conformity with generally accepted accounting principles requires the Partnership to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Casino Licensing - In April 2000, the New Jersey Casino Control Commission renewed the Partnership's casino license through April 2004. A New Jersey casino license is not transferable and must be renewed by filing an application.

Recent Accounting Pronouncements - In January 2001, the Emerging Issues Task Force reached a consensus on certain issues within Issue No. 00-22, "Accounting for 'Points' and Certain Other Time-Based Sales Incentive Offers, and Offers for Free Products or Services to be Delivered in the Future" ("EITF 00-22"). EITF 00-22 requires volume-based cash rebates to be classified as a reduction of revenue. Accordingly, such rebates have been classified as promotional allowances. The Partnership previously classified these expenditures as gaming expense.

In July 2001, the Financial Accounting Standards Board ("FASB") issued SFAS No. 143, "Accounting for Asset Retirement Obligations." This standard addresses the financial accounting and reporting for obligations associated with the retirement of tangible long-lived assets and the associated asset retirement costs. The standard is effective for fiscal years beginning after June 15, 2002. The Partnership does not expect the adoption of SFAS No. 143 to have a material impact on the Partnership's financial results.

In August 2001, the FASB issued SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets." This standard addresses financial accounting and reporting for the impairment or disposal of long-lived

assets. The standard is effective for fiscal years beginning after December 15, 2001. During the first quarter of 2003, the Partnership did not have any asset impairments or disposals of long-lived assets.

	<u>\$11,592</u>	<u>\$13,394</u>

NOTE 8 - INVESTMENT OBLIGATIONS

The New Jersey Casino Control Act provides, among other things, for an assessment of licensees equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Partnership may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the New Jersey Casino Reinvestment Development Authority ("CRDA"). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to fifty years and bear interest at below market rates.

The Partnership includes CRDA investment bonds and funds on deposit with the CRDA in investments, advances and receivables. The Partnership records a charge to operations to reflect the estimated realizable value of its CRDA investment obligations.

Through 2003 the Partnership was required to make deposits with the CRDA of approximately \$82,421 towards its obligations through that date, of which \$81,096 was deposited. The Partnership's obligation for the first quarter of 2003 of approximately \$1,325 was deposited in April 2003.

The Partnership has committed \$11,986 of its current and future CRDA deposit obligations for the refurbishment of the Atlantic City Convention Center. This amount has been capitalized and is being amortized on a straight-line basis over a 15 year period since the Convention Center reopened for operations during September 2001. Investments, advances and receivables at March 31, 2003 reflect \$2,620 in deposits which have been earmarked for the project.

To satisfy current Atlantic City obligations as well as those projected beyond the year 2003, the Partnership received approval from the CRDA for a qualified direct investment project to construct various townhomes, an apartment building and a retail store outlet in the northeast section of Atlantic City at an estimated cost to the Partnership of approximately \$54,500. As of March 31, 2003, approximately \$54,410 has been expended by the Partnership of which approximately \$4,123 was reimbursed to the Partnership from certain government grants and \$18,742 represented a prepayment position of the Partnership's future obligations.
